

Xima User Training

Ari Rebach - 2022-05-25 - Comments (0) - Hosted Voice

In order to teach new users about the Xima Contact Center platform the following materials are available:

As of 3/2022, new training materials have been made available to Xima administrators to coincide with the release of new features: <https://guide.xima.cloud/docs>

Legacy Xima training materials are still located below, please note that some components may be out of date.
